

## PROFILE:

A dedicated Full Stack Developer with a strong focus on efficiency and well-documented code. Expertise includes both front-end user interfaces and back-end server-side logic, APIs, and databases. Demonstrates a robust ability to develop, test, deploy, and maintain scalable and secure web applications across a range of industries.

## WORK EXPERIENCE:

### FULL STACK DEVELOPER, ABC Company, 2015 - Present

- Collaborate closely with product owners and designers to translate UI/UX designs as well as business requirements into detailed technical specifications and functional features.
- Write clean and efficient code, ensuring it is well-documented for both front-end and back-end systems.
- Implement intuitive and responsive user interfaces using modern front-end frameworks and libraries.
- Develop and manage robust APIs and RESTful services to facilitate seamless data exchange between front-end and back-end systems.
- Work with various database technologies, including both SQL and NoSQL, to design schemas, write optimized queries, and manage data integrity.
- Ensure the performance, scalability, security, and reliability of applications.
- Participate actively in code reviews, providing constructive feedback and contributing to best practices and coding standards.
- Debug and troubleshoot software defects and technical issues, ensuring their effective resolution.
- Stay up-to-date with emerging technologies and industry trends, applying them to enhance our development processes and products.
- Contribute to all phases of the software development lifecycle, including planning, design, deployment, and maintenance.

## SKILLS:

- Front-end development (HTML, CSS, JavaScript, React)
- Back-end development (Node.js, Express.js, MongoDB)
- Database technologies (SQL, NoSQL)
- API development and management (RESTful services)
- Code review and debugging
- Software development lifecycle management

- Scalable application development

#### EDUCATION:

BACHELOR OF SCIENCE IN COMPUTER SCIENCE, XYZ University, 2011 - 2015
